BACKGROUND INFORMATION

During my employment with my present place of work I have gained wide knowledge on the area of printing industry and sales (Specially in the label business). A big customer relation are excluding to this knowledge. My aim is to prove my special knowledge and competence by means of holding a managerial position.

HOBBIES AND SPARE TIME ACTIVITIES

I am a sociable person both in my place of work and in private.

I like driving, due to my current status I can drive a lot.

Since I used to swim competitively for 12 years, I usually go to move even today. I have tested myself in many sport activities, tennis, squash, swimming, biking, ice-skating, running. Nowadays I play tennis.

I get driving licence for sailing in 2012, so sailing is one of my favourite activity.
